Highline Academy Charter School

Vol. 1

Staff Changes

We just wanted to inform everyone that Mr. Aiyeleka is no longer employed at Highline Academy Charter School. We are thankful for his long service with the organization and only wish him the best with his endeavors. We are working on hiring for this position and will communicate to the community when we finalize something.

Literacy Night Tonight (5:30-7:30)

Wear your pajamas, bring your favorite stuffed animal, and enjoy some free snacks with storytellers, teachers and librarians. And, of course, buy books to support reading at home and our school library. **We are half way to reaching our goal of 2,400 books sold!!**

Book Corner

I would encourage families of students ages 9 and up to read the book, *Wonder*, by RJ Palacio. This book teaches all of us the importance of accepting people for who they are and our differences.

Illuminate

Lets all celebrate the launching of Illuminate, our grade book database! We apologize for the delay as we were diligently working to get all of our schedules and student information transferred from the DPS student information system (IC) to Illuminate.

What does Illuminate do?

Illuminate can immediately communicate assessments and assignments to families. This database is also used to support Data Driven Instruction and how the school targets student learning needs.

How do I use Illuminate?

- 1) Log-in to: highlineacademy.illuminatehc.com
- 2) Use your email address and password
- 3) If you are new to Highline or have forgotten your password, please email: epaulino@highlineacademy.org for your initial password.

What Should I see in Illuminate?

Once logged in, you will be able to view: classes, grades and assessments. Attendance is no longer recorded in Illuminate, so if you have any questions please contact the front office.
